Math Skills

- Create and repeat simple patterns
- Seasons Summer, Spring, Winter and Fall
- Adding small numbers

Motor Skills

- Practice fine motor skills by using scissors
- Practice using our pincer grasp when printing
- Standing on one foot for a period of time

Self Help Skills

- Practice fasteners eg. zippers, buttons & snaps
- Remembering to adjust clothing at different times during the day eg. After washroom and outdoor time

Science Skills

- Discover colours and what new colours are made when mixed together
- Cause and reaction when liquids mix together

Social Skills

- Practice waiting our turn and/or saying excuse me when wanting to speak to others
- Working towards understanding how to play a two or more person game
- Understanding how to cope with defeat and error when being involved in a game

Did you know...?

Enabling children to develop a sense of belonging as part of a group is also a key contributor to their lifelong well-being. A sense of belonging is supported when each child’s unique spirit, individuality, and presence are valued.

“Every child deserves to have someone’s eyes light up when they enter the room.”

Pg. 24 How Does Learning Happen? Ontario’s Pedagogy for the Early Years

Ideas To Do At Home

See if you can collect some small empty boxes, toilet paper rolls, paper towel rolls for some examples. Bring them in and we will create some cool artwork! Also try not to forget to recycle your paper, cardboard and plastic when you know longer need it! The environment depends on all of us to make it a better place!
