## How Does Learning Happen?

**WHAT WE ARE DOING  
in our  
BUILDING BLOCKS CENTER**

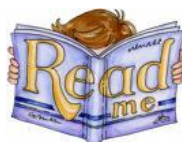

We are:

- using our fine motor skills
- developing gross motor muscles
- classifying by shape, size, and color
- experimenting with balance and form
- using our imaginations
- testing our ideas
- recognizing quantity
- understanding numbers concepts

### Enrichment Program:

Early Literacy	Week 1
Creative Movement	Week 2
Music	Week 3
Literacy with Early Years	Week 4

### Ideas you can do at home

You don't need to go out and spend money on expensive pretend play materials. Allowing your children to free explore your home, provides them with the opportunity to engage in pretend play in a real life environment. So go ahead, allow your children to explore your closet or kitchen and see how they utilize the objects that are already in your environment.
