

# DECEMBER

## School Age Newsletter

**December is here, the snow is arriving and the winter break is just around the corner. Please have children fully prepared to go outside. (Weather permitting)**

**Wednesdays:** Reading Club- Children are encouraged to bring a book from home.

**Fridays:** Show and Share—Children bring in a toy from home that they would like to share and show their friends in the classroom.

### Author of the Month

This month the author is Paulette Bourgeois. Titles include books like: Franklin helps out, Franklin is bossy and Franklin is messy.

## Skills we will be working on:

**Problem solving:** Remembering to use “I” messages, coming up with solutions to solving problem and looking at ways to calm ourselves down.

**Science:** School age will work together to build a robotic arm that when completed can be operated.

**Math:** School age will be working on telling time. Writing the time of transitions and displaying the time on a display clock so children can observe when the next transition will be.

## Community Fun:

If you enjoy skating outdoors The West Mall Rink has opened its doors starting from November 24<sup>th</sup> for the winter season.
