Song of the Month:

Five Little Frogs

Five green speckled frogs sat on a speckled log
Eating some most delicious bugs.
Yum! Yum!
One jumped into the pool
Where it was nice and cool
Then there were four green speckled frogs.

***Repeat the song till there are no green speckled frogs left.

Ideas to do at home:

Our infants really enjoy exploring different sounds. Find different objects to create different sounds when hit with a spoon.

Model drumming on different objects to make music. Let your child create music and explore sounds.
