Song of the month

The ants go marching
one by one, hurrah,
hurrah

The ants go marching
one by one, hurrah,
hurrah

The ants go marching one by one,
The little one stops to suck her thumb
And they all go marching down to the ground
To get out of the rain, BOOM! BOOM! BOOM!

How Does Learning Happen?

Belonging: “Every child has a sense of belonging when he or she is connected to others and contributes to their world.” How Does learning Happen – pg.5) **We are talking about what are nice things we can say or do to people around us to make them happy. As well as how our actions can impact others.**

Special Days

(When picking up your child join our class

Ideas for home

Go on a treasure hunt. Get a box and gems or special items. (Dollar store has items if needed.) Hide the box (inside or outside),

make a map and both go looking for treasure. Have your child take a turn hiding it and you find it.

Skill we are working on -

The Children are really interested in learning the letters of their name. So we are enhancing 3.11 letter recognition by identifying the letter at beginning of their names and its sound. We are also 3.14 beginning to write letters of the alphabet by recognizing and writing their own name.

Reminders

With the warmer weather approaching and the snow melting please bring extra clothes for your child, especially pants and socks.
