How does Learning Happen?

When we see children as competent, capable of complex thinking, curious, and rich in potential, we value and build on their strengths and abilities.

Did you Know

Some children need a lot of encouragement and positive feedback to get talking. Others will be desperate to talk to you when you're busy doing something else. This might mean stopping what you're doing and listening.

At Home: A quick easy meal for even a picky eater. Invite your child to make their own pizza. Lay out bowls of sliced peppers, onions, mushrooms, pepperoni and grated cheese with tomato sauce and English muffins and let them create. Assist them with the oven or toaster for safety.

Reminder: Please make sure your child's cubbie has a complete change of seasonal clothing at all times.

Thank you!
