

October 2020

Toddler 2 Calendar

Program Enrichment

Spanish song La vaca Lola

La vaca lola la vaca lola tiene
Cabeza y tiene cola y hace muuuuu

Skills we will be working on:

Self-help skills

- pulling up pants after diaper change
- putting on shoes and taking them off with limited assistance

Motor Skills

- encouraging use of a spoon to strengthen fine motor skills
- allowing children to walk down hallway and to climb up and down stairs to strengthen large muscles

Science

- watching the leaves fall from the trees
- colour mixing, red and blue = purple

Please Parents:

We will be spending time outside; please ensure that your child is dressed to play outdoors. He or she will need rubber boots, a warm jacket and hat.

How does Learning Happen?

Ontario's Pedagogy for The Early Years is a professional learning resource guide about learning through relationships for those working with Young children and families.

It is intended to support pedagogy and curriculum / program development in early year programs. Pedagogy is How learning take place and the philosophy and practise that support that understanding of learning.

3. Early Learning for every child today

As educators we are trying our best to provide all the daily information that our parents needed by pictures of the activities that we do through the day or by verbal updates or highlight about the daily routine of each toddler.

Ideas To do at Home

Hands on Leaves: This will be a great sensory opportunity to spent an outdoor time with your child by collecting some leaves in different sizes and colours to bring it home and paint them and glue them on to construction paper, adding some sparkles to add some decorations around the house

Special dates:

October 12 Thanksgiving (TTE) Closed

*Due to Covid-19 restrictions we will be unable to wear Halloween costumes this year
