

JANUARY

School Age Newsletter

Happy 2019 everyone! Welcome back we hope that everyone had a very enjoyable holiday.

Did you know?

Puzzles improve a child's problem solving and reasoning skills. It can teach them a variety of topics like the Alphabet, Numbers, Color recognition, shape recognition, categories like pets or transportation vehicles, and more.

Author of the Month

This month the author is *K. A. Applegate*. Some books written by her are called "*Animorphs*".

After school homework club: Children are welcome to bring in homework and ask for support during their indoor time.

Wednesdays: Reading Club- Children are encouraged to bring a book from home.

Fridays: Show and Share—Children bring in a toy from home that they would like to share and show their friends in the classroom.

Skills we will be working on:

Math: Counting by 5's, 10's and 15's.

Problem solving: To solve a problem, you need to think. Remembering that calming down first will help you think more clearly.

Team work: For gross motor we will be playing team games such as Pylon ball, to build on our sportsmanship and having fun playing with others.

Community FUN:

Toronto Light Festival

Starts Jan. 18th -Mar 3rd
FREE

Address: The Historic Distillery District
55 Mill St. Toronto

The Toronto lights festival is a visual journey and an imaginative adventure. The festival exhibits the creativity of local and international artists and is a winter experience designed to entertain and inspire.
