Reading Tips for Parents and educators of Preschoolers

- Read together every day. Read to your child every day. Give everything a name. Build

your child's vocabulary by talking about interesting words and objects.

- Say how much you enjoy reading.
- Read with fun in your voice.
- Know when to stop.
- Be interactive.
- Read it again and again.
- Talk about writing, too.

How Does Learning Happens?

“Young children experience their world as an environment of relationships, which affect virtually all aspects of their development” (pg. 23 HDLH).
