Important information regarding weather, closures, parent events etc.

Valentine's Day.... This is a day that we highlight friendship and being more kind to each other. If your child would like to exchange the traditional Valentine cards, don't be concerned about putting a name/recipient on the card, put only that it is from your child. It is much easier for your child (and the educator!) to hand out cards without name. Just a friendly reminder, that we do have a NO FOOD policy, this includes candies that sometimes come with Valentine's cards.

Board and Staff News

The Board of Directors will be holding their next board meeting in April 2019.

Congratulations to Natalia who celebrates her 11th Anniversary with us this month. Thank you for your daily contributions and dedication to the children, families and organization!

Special Dates

- 2nd- Groundhog Day
- 5th- Chinese New Year
- 14th – Valentine's Day
- 15th – PA day, no school for FDK or School Age children
- 18th – Family Day – centre is closed, please enjoy the day with your family!

Interesting to Note

Children love to run! And running in the hallway using loud voices is even more appealing.

Your children's Educators work hard each day to teach the children how to walk through the hallways with respect for the classes that are occurring as well as ensuring that they are safe as they travel during the many routines throughout the day.

It is amazing how quickly the children seem to forget the rules when their parent arrives at the door! Please help us to maintain the expectations set out during the day by asking your child how they walk when they are with their Educator. In addition, please also remember that **ALL** children must be with an adult at all times – especially when dropping off or picking up your children.

ALLERGY AWARENESS

As many of you are aware, we are a "nut free" centre. Please take care that your child does not come into the centre eating or drinking from outside sources. It is amazing how many items that you may think are free from allergens that actually "may contain" on our list of items to avoid. Leave all items at home or in the car to ensure that everyone remains healthy and safe.

Thanks for your cooperation!
