"Be a rainbow in someone else's cloud." By: Maya Angelou

Song of the month

See the little bunnies sleeping till it's nearly noon
 Shall we wake them
 with a merry tune?
 They're so still, are they ill?
 No! Wake up bunnies!
 Hop little bunnies, hop,
 hop, hop
 Hop little bunnies, hop, hop, hop
 Hop little bunnies, hop, hop, hop
 Hop little bunnies, hop and stop

(Change the Bunnies to another animal example; Butterflies, cats, monkeys, lions, dinosaurs, frogs.)

Special Days

- 19th Good Friday – Centre Closed
- 22nd Easter Monday – Centre Closed
- 22nd Earth Day
- 23rd Terry Tan
- Earth Day

Ideas for home

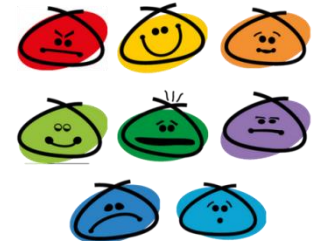

Consider making earth day activities all month long. Try things like planting, unplug electronics, have dinner by candle light, Read: The Lorax by Dr Seuss, get gloves and garbage bag and clean up outside, reuse different garbage bound items to create art.

How Does Learning Happen?

Belonging: "Every child has a sense of belonging when he or she is connected to others and contributes to their world." How Does learning Happen – pg.5) **we will talk about the environment, recycling and reusing some garbage bound items to create meaningful art and plant some different plants.**

Skill we are working on - Emotions

We are working on 2.5 Regulating Attention, Emotions and Behaviour and expression our emotions in an appropriate ways. We are enhancing using our word to communicate our needs when we are faced with frustrations. We are developing coping skills when faced with challenges and disappointments. Persisting when frustrated and using effective strategies for self-calming.

Reminders

Spring is finally here, and with that comes unpredictable weather conditions. So please bring extra clothes for all weather conditions. Rain boots are recommended for the wet weather and lots of extra socks.
