

INFANT CALENDAR

June 2019

Every child is a different kind of flower and all children together make this world a beautiful garden.

Skills we will be working on:

6 months to 12 months

- raise arms to invite interaction
- use palmer grasp
- reach towards objects
- explore through different senses
- sit/cruise with support

12 months to 18 months

- Dance to different types of music
- Kick/throw a ball
- Use one/ two words to communicate
- Point to familiar things
- Take part in simple scenarios
- Practice using a spoon during lunch
- Follow simple directions
- Look at a book with adults

Special Visitors:

Keith and Lily will join our infant room twice a week to sing songs, tell stories, and create different gross motor experiences for the infants

Song of the month

Ideas to do at Home

Singing songs with infants develops their receptive and expressive language skills. Songs with gestures and movement are fun and interactive. Infants are attracted if their names are used in songs. You can borrow tapes from library if you do not know children's songs. Using songs with routines makes transition easy for the little ones.

Reminders:

June 5- Annual General Meeting
June 16 - Father's Day
June 21 – First Day of Summer
