Tip of the Month

We hope everyone enjoyed their summer and with the summer holidays coming to an end and the fall season upon us, it is very important to check the weather prior to dropping off your child at daycare/school. Please ensure your child is dressed appropriately for the transitional weather (i.e. light jackets, hats, etc.). Layers are probably better so that if it gets too hot, they can remove some pieces of clothing.

Some days may be warmer; therefore, shorts and t-shirts are appropriate and other days, it may be chilly; therefore, a sweater or jacket may be required.

We want your children to enjoy their outdoor experience and have fun!

We wish everyone well on their 1st day back to school!
