Winter Clothing

When purchasing clothes for the colder weather, a few tips to keep in mind...

- 1) we are outside for an hour in both the morning & afternoon, weather permitting;
- 2) waterproof mitts with thumb holes;
- 3) hats and hoods on jackets without strings;
- 4) warm boots which are easily put on or taken off (e.g. no laces, zipper closures or a separate lining); warm jacket & snow pants.
