

## School Age

### November Calendar 2020

The cooler weather will be coming so please dress appropriately.

The children are doing very well, following all protocols and attempting to social distance with reminders.

This month we will be looking at all fall signs including changing of leaves, looking at gourds, and changes of weather. We will also be learning new social distancing games such as Jeopardy, and a new form of Go Fish.

#### Dates to Remember

November 11- Remembrance Day

November 14-

Some creative ideas we will be doing are feather weaving and pinecone people. We will be using our own creative expressions.

#### **After School Homework Club:**

Children are welcome to bring in homework and ask for support during their indoor time.

#### **Skills we will be working on:**

**Math:** Adding and Subtracting

**Problem Solving:** To solve a problem you need to think. Remembering that calming down first will help you think more clearly.

**Team Work:** For gross motor we will be playing team games while keeping in mind social distancing ie/ Koosh Ball

We have been sending home various recipes to try with your child. Please let us know if you are trying them and if you have any recipes to share with us. We are planning to make a School Age Recipe Book with your help.
