

School Age

January 2021 Calendar

Happy New Year! A new year, a fresh start!

Since the weather will be getting colder please have warmer clothes for your child i.e./ snow pants, hats, mittens, extra clothes just in case their clothes get wet.

Just a reminder we are doing a bulletin board on "Around the World" stating where all our families are from and what language they speak at home. Please let us know in writing where you are from and what language you speak at home. If you have anything related to your culture please feel free to bring it in (in a zip-lock bag).

For creative this month we will be making a Snow Globe and outside we will be making a Snow Maze, if the weather permits. Going to be a fabulous month full of fun and laughter!

Dates to remember:

Jan 1- New Year's Day

Jan 7- Orthodox Christmas Day

Jan 14- Orthodox New Year

Jan 15- P.A. Day

Recipe to try at home

Snowman Pizza

1. Make or buy your favourite pizza dough.
2. Heat your oven to 425 degrees
3. Lightly grease your baking sheet. Sprinkle with a touch of cornmeal if available.
4. Separate the dough in half. Roll each half into a ball. Press the dough onto the baking sheet in a snowman shape. Repeat for the other half of the dough. The two snowman on one sheet, have their heads facing in opposite directions.
5. Spread the sauce on the snowman to your desired consistency. Then sprinkle cheese.
6. Slice the olives into thirds. Use the olive slices as the eyes and buttons on the snowman pizza.
7. Add the pepper nose.
8. Bake as directed on your dough recipe or package. Ours baked for 15 minutes 425 degrees. Remove from the oven with baking mitts. The crusts should look lightly browned. Use a spatula to check the underneath, the middle crust to make sure it doesn't look soggy. If it does, bake a few minutes longer.
9. Don't forget to set your timer!
10. Bon Appetite!

Here's to New beginnings!
