

EARLY CHILDHOOD ASSISTANT - Job Description

POSITION SUMMARY

Responsible for assisting in designated aspects of the daily program with the direction from Registered Early Childhood Educators. Along with trained staff in the room, ensure the children are provided for in a safe, stimulating and healthy environment. Ensure that all planning and routine supervision assigned by the Registered Early Childhood Educator and/or Supervisor are carried out as directed. As team members, be co-operative, supportive and maintain daily communication with other staff and parents.

The Early Childhood Assistant of the organization must keep the Supervisor and/or Executive Director informed of any pertinent information, concerns or issues immediately.

When issues arise between co-workers, staff must communicate directly with the individual(s) involved. In the event that a situation is not resolved, it is the staff's responsibility to request a meeting with the Supervisor and/or Executive Director as soon as possible.

It is essential to note that Supply staff provide a valuable service to the children, families and organization. However, Supply staff are not required to plan program, administer medication, participate in parent meetings, attend staff meetings or family events, document child's individual portfolio, offer regular attendance- in that availability is up to the individual offering this service. Supply staff are encouraged to participate in the annual policy review meeting and CPR/First Aid training to ensure full compliance.
