

TODDLER 2 CALENDAR

Important dates:

- 6th Labour Day- Centre closed
- 22nd First Day of Autumn
- 23rd Family Appreciation Affair- (more details to follow)

Skills we are working on:

Self-help skills:

Supporting each child with their independent skills:

- putting on/taking shoes off.
- Proper handwashing techniques.
- Hand over hand assistance using eating utensils.

Motor Skills:

- Strengthening their large muscles while peddling a bike/scooter.

Language:

Early language and literacy skills are learned best through everyday moments with your child—reading books, talking, laughing, and playing together. Children learn language when you talk to them and they communicate back to you, and by hearing stories read and singing songs.

Frizzy rainbow experience

- 2-ounce paper cups (or any small containers you find)
- Baking soda
- Vinegar
- Food colouring

Follow the link below for more information:

<https://www.messylittlemonster.com/2019/02/rainbow-baking-soda-science-experiment-for-kids.html>

Our classroom activities:

The children will hear sirens when they are on the playground. We have extended their interests and turned our dramatic area into a Fire Station.

Here is a picture of what our dramatic looked like.

Reminders:

Science Experience every Friday. More information to follow
Fun Dancing every Thursday

How Does Learning Happen?

Goals for children and Expectations for the program

Four Foundations:

FOUNDATIONS	GOALS FOR CHILDREN	EXPECTATIONS FOR PROGRAMS
Belonging	Every child has a sense of belonging when he or she is connected to others and contributes to their world.	Early childhood programs cultivate authentic, caring relationships and connections to create a sense of belonging among and between children, adults, and the world around them.
Well-Being	Every child is developing a sense of self, health, and well-being.	Early childhood programs nurture children's healthy development and support their growing sense of self.
Engagement	Every child is an active and engaged learner who explores the world with body, mind, and senses.	Early childhood programs provide environments and experiences to engage children in active, creative, and meaningful exploration, play, and inquiry.
Expression	Every child is a capable communicator who expresses himself or herself in many ways.	Early childhood programs foster communication and expression in all forms.

Reminder:

With the weather changing and Fall arriving soon, please remember to dress your child accordingly to spend time outdoors.
