How Does Learning Happen?

The Four Foundations of How Does Learning Happen?

FOUNDATIONS	GOALS FOR CHILDREN
Belonging	Every child has a sense of belonging when he or she is connected to others and contributes to their world.
Well-Being	Every child is developing a sense of self, health, and well-being.
Engagement	Every child is an active and engaged learner who explores the world with body, mind, and senses.
Expression	Every child is a capable communicator who expresses himself or herself in many ways.

Our program aims to meet the goals (as stated in fig.1) for every child in the toddler room. We prepare observation-based and age-appropriate learning opportunities that help each child attain their total growth and development.

Image of children building with blocks together that portrays Belonging, communicate in any means (Expression), actively explore (Engagement), and developing their sense of self (Well-Being).

Date/s to Remember:

November 11- Remembrance Day

Month-long Science and Sensory Experiences:

- Mixing liquids and colours (e.i. oil and water) 4.3 Cause and Effect Exploration
- Make Fall and Winter Sensory bottles 4.7 Representation 5.3 Senses

(Sensory bottles)

Skills that we are working on:

✚ Self Help Skills (5.2)

Encourage to:

- ✓ Put jacket doing the flip-up technique
- ✓ Practice zipping and unzipping zipper

✚ Language and Communication skills: (3.2)

- ✓ Practice saying their names
- ✓ Practice counting 1-10

Please have proper clothing available for your children as the weather changes (colder).
