Classroom news

Please join us on November 18th for a zoom event on how to make your own "Volcano" Stay tuned, details to follow.

Song of the month

I have a little Frog

I have a little frog
His name is Tiny Tim,
I put him in the bathtub,
To see if he could swim,
He drank up all the water,
And gobbled up the soap!
And when he tried to talk
He had a bubble in his throat!

Special Days

November 7th – Daylight Saving Time Ends
(turn your clock back an hour)

November 11th - Remembrance Day

November 29th – Hanukkah

Skills we are going to be working on

Fine motor skills Hand eye- coordination in constructing puzzles

Self-help Skills Doing the flip trick to put on our jackets and attempting to zip it up.

Social skill Interacting with peers and using language to regulate own behaviour.

Cognitive skills Counting stairs while walking up/down. Problem solving by identifying the problem and taking the necessary actions to solve it.

How Does Learning Happen?

Expression: "Every child is a capable communicator who expresses himself or herself in many ways. Early childhood programs foster communications and expression in all forms" (How Does Learning Happen – pg. 23).

Reminders

As the weather changes, please provide your children with appropriate attire for outdoor play and extra clothing for their cubby.

Ideas for Home

Here is a fun filled way you and your child can enjoy spelling out his/her name. Make a song out of his/her name and sing it with your child...maybe your child can sing and share this song with the class.
