

INFANT CALENDAR

A new year means a new chapter. We hope that 2022 is an incredible part of everyone's story!

Skills we will be working on:

Fine Motor: We will be working on pincer grasping using small things like food pieces, stickers, foam shapes to encourage the coordination and control of their fingers.

"Baby picking up a piece of food"

Language: Reading and storytelling promotes brain development and imagination, develops language and emotions, and strengthens relationships.

"Educator telling stories to children"

Classroom News!!

We will be conducting a **Zoom Meeting on January 27, 2022**. On this day, educators and parents will be able to see and meet each other virtually, ask questions, and do an activity with the children! Stay tuned as we will be sending out more information soon!

Song of the month

Children's Winter Song:
"Warm Clothes for when it Snows"
(Tune: "The Farmer in the Dell")

My hat goes on my head,
My hat goes on my head,
Warm clothes for when it snows,
My hat goes on my head!

My scarf goes round my neck,
My scarf goes round my neck,
Warm clothes for when it snows,
My scarf goes round my neck!

My gloves go on my hands,
My gloves go in my hands,
Warm clothes for when it snows,
My gloves go on my hands!

My boots go on my feet,
My boots go on my feet,
Warm clothes for when it snows,
They hold my body heat!

-Storytime Sprouts
