

Preschool 2 May 2022

Special Dates

May 8th Mother's Day
May 11th Gardening/Playdate Family Event @3:45 pm-4:45 pm
May 23rd Victoria Day (Centre Closed)

Mom, I love you!

Mom, I love you
For all that you do.
I'll hug you and kiss you
Because you love me too!
You feed me and need me
To teach you to play.
So, smile because I love you,
On this Mother's Day!

Mindfulness

With the warming weather on the way, take the time to relax and breathe. It can be on a walk, in your backyard, at the park or in the bath. You can listen to the outdoors, or you can listen to relaxing music. Take a walk by the water and just listen to the waves. If it's a warm day, take off your shoes and feel the sand in between your toes. Close your eyes and using all your senses, take in the environment. It's important to take time for yourself.

Reminders

Spring is here and so is the unpredictable weather and it starts to warm up. Please check the weather prior to coming to Terry Tan so that your child can be prepared for a fun time in the playground; whether it's wearing rain boots on those rainy days or sweaters/jackets on those cooler days.

Skills we will be working on:

Pre-reading Skills:

- Looking at items that begin with the first letter of our names
- Describing what they have drawn/painted in their pictures

Math Skills:

- Placing items along a continuum
- Counting 1 to 20

Motor Skills:

- Practising hopping on one foot
- Working on controlling our body movements

Self-Help Skills:

- Practising to do up buttons/snaps
- Working on keeping our cubbies tidy

Science Skills:

- Questioning what is occurring
- Making inferences on what is going to occur

Social Skills:

- Working on being helpful
- Using our words to express ourselves

Ideas for you to do at Home

- Practice dressing and undressing, including zipping, buttoning and snapping.
- Play 'I Spy' game. Depending on your child's knowledge, you can do colours, letters, numbers, etc.

Enriching the Program

- Music and movement with Vina

- Reading with Susan
