

School Age Calendar

2022

Spring has sprung! We are going to be busy growing flowers, fruits and vegetables. We have a garden club starting.

The children are responsible for watering, planting and taking care of the plants. We have also started other groups ie: sewing, sports, science and creative. The children are all responsible in these groups for coming up with different ideas and taking care of those specific areas.

They are very excited and looking forward to it each day.

Last month we had a Canadian Idol Contest as well as a Fashion Show in which the children were judging and

giving positive feedback to all the contestants.
